the driver's choice

# DISCOVER A REAL CRACKER THIS CHRISTMAS

**12  
MONTHS  
WARRANTY  
£189**

**6 MONTHLY INTEREST FREE  
PAYMENTS AVAILABLE**

**UNLIMITED CLAIMS THROUGHOUT THE  
DURATION OF THE WARRANTY**

**QUICK AND EFFICIENT CLAIMS HANDLING AT  
THE END OF THE PHONE**

# Platinum Plus Protection

**The following components are covered against Mechanical Breakdown.  
Please note that parts not listed are specifically excluded.**

## **ENGINE**

All components contained within the cylinder block and head including pistons, rings, crankshaft, big end bearings, manifolds, rocker assembly, timing chains, timing gears, distributor drive. Excluding Dual Mass Flywheel.

## **TURBO UNIT**

All components including inlet and exhaust turbine shafts, bearings, bushes, wastegate devices. Turbo cover ceases at 7 years or 80,000 miles whichever comes sooner.

## **GEARBOX**

All components contained within either manual or automatic transmissions including gears, bearings, clutches.

## **CLUTCH**

All components including clutch plate, clutch cover, thrust bearing and or release bearing. Limited to one clutch repair during the warranty duration.

## **DIFFERENTIAL**

All components including gears, pinions, bearings, shafts.

## **DRIVE SHAFTS**

All components including propshaft, drive shafts, C.V. joints, couplings. brakes – All components including servo units, cylinders, valves.

## **STEERING**

All components on steering systems including power steering units, rams, pumps, reservoirs, steering box.

## **SUSPENSION**

All components including control arms, bushings, ball joints, pins.

## **BEARINGS**

All components including wheel bearings, seals, hubs, flanges, where mechanical

breakdown has occurred causing sudden stoppage of their function.

## **COOLING SYSTEM**

All components including radiator (excluding external damage), matrix, water pump, head gasket, thermostat.

## **VENTILATION**

All components including heater assembly vents, tubes, controls.

## **E.C.U.**

All components including solid state control units, triggering units, distributor, coil.

## **ELECTRICS**

All components including motors, solenoids, relays, alternator, starter motor, switches, computers.

## **BRAKING SYSTEM**

All components excluding brake discs and brake pads.

## **FUEL SYSTEM**

All components including fuel pump, carburettor, sender units, gauges, air flow meters, accumulator fuel distributor, regulators.

## **AIR CONDITIONING**

All components including compressors, pumps, reservoirs.

## **LOCKS**

All components including regulators, handles, locks, catches (excluding accidental damage).

## **SEALS**

All major oil seals and gaskets.

## **CASINGS**

Casings are covered if they have been damaged by any of the listed parts.
